full for September 27-28, in Vancouver*

#### MAIL/FAX TO:

American Association of Clinical Endocrinologists  
1000 Riverside Ave., Suite 205 • Jacksonville, Florida 32204  
Fax: (904) 353-8185 or Register Online at  
[www.aace.com](http://www.aace.com)

### Overall Course Objective:

Upon completion of this course, one will have the indications and limitations of thyroid ultrasound and how it integrates with other thyroid tests (FNAB, and Tg) to improve the diagnosis and management of thyroid disease. "Hands-on" ultrasound and ultrasound guided FNA biopsy will be demonstrated. A test resulting in ultrasound accreditation will be given.

### Accreditation Statement

The American Association of Clinical Endocrinologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American Association of Clinical Endocrinologists designates this educational activity for a maximum of 13.50 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

The opinions expressed during this program presentation are educational in nature and not intended to constitute or substitute for a physician's own judgement. Further, the information and opinions provided do not necessarily reflect the policy and/or opinion of the American Association of Clinical Endocrinologists or any of its affiliated organizations, all of which hereby disclaim any and all liability for the same.

This meeting has been supported by an in-kind commercial support from Esaote, Inc.

### Cancellations/ No show policy

All cancellations must be received in writing in the AACE office 30 days in advance of all scheduled AACE meetings in order to receive a full refund. Cancellations received after this date but at least 25 days prior to the scheduled AACE meeting will be refunded less a \$50 processing fee. Cancellations or no shows received after that date will not be refunded except in extenuating circumstances. In which case, a request must be made in writing; and such requests for clinical symposium and AACE accreditation courses will be at the discretion of the program chair(s).

### Faculty

**H. Jack Baskin, MD, MACE**  
**(Program Co-Chair)**

Director, Florida Thyroid and Endocrine Clinic  
Orlando, Florida

**Daniel S. Duick, MD, FACE**  
**(Program Co-Chair)**

Endocrine Associates, PA  
Phoenix, Arizona

**Robert A. Levine, MD, FACE**

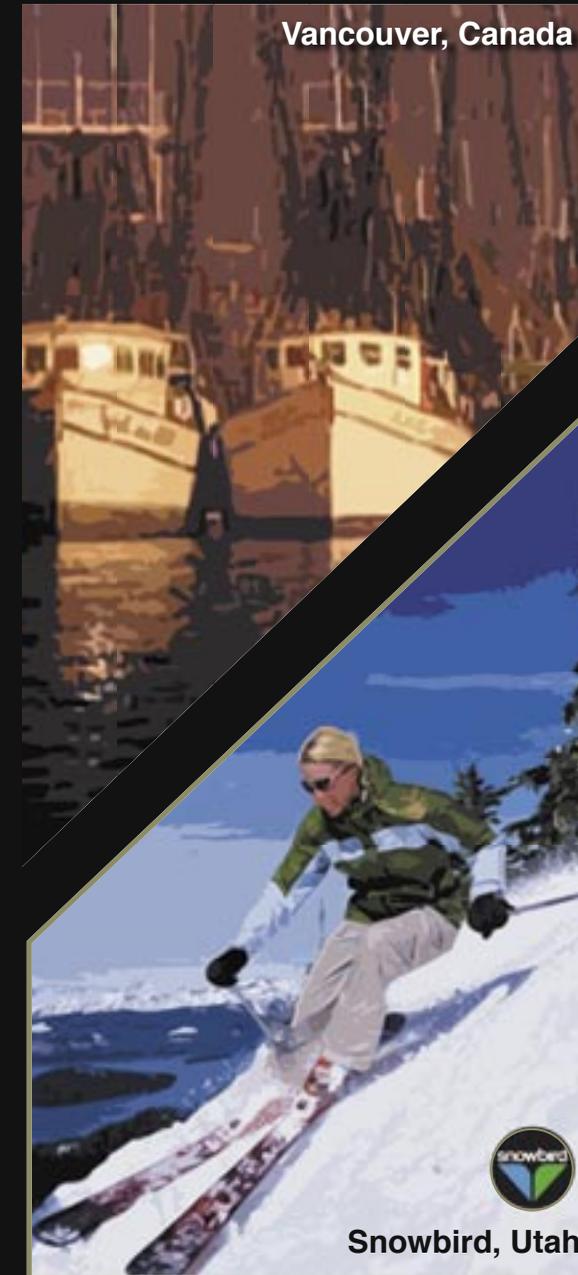

Adjunct Assistant Professor  
Dartmouth Medical School  
Nashua, NH

Sponsored by the  
American Association of  
Clinical Endocrinologists  
& the American College  
of Endocrinology

## THYROID ULTRASOUND AND FNA BIOPSY Accreditation Course®

Vancouver, Canada

Snowbird, Utah

AMERICAN ASSOCIATION OF  
CLINICAL ENDOCRINOLOGISTS

# VANCOUVER, CANADA • SEPTEMBER 27-28, 2004

In conjunction with the 76th Annual Meeting of the American Thyroid Association Sep. 29-Oct 3, 2004

## The Westin Club:

A new level in comfort and convenience.

Situated in Vancouver's Coal Harbour, The Westin Bayshore Resort & Marina is the city's only downtown resort and conference centre. Panoramic views of the coastline, mountains, and Stanley Park add to the beauty and mystique of this unique resort.

Connected to the historic 1,000 acre Stanley Park via its picturesque seawall, you'll be able to enjoy ocean-side jogging, cycling and rollerblading. Take advantage of our numerous resort amenities, including a full-service health and fitness centre with steam rooms, saunas, elliptical trainers, treadmills, massage therapists, hair salon, and both indoor and outdoor pools. For reservations, please contact The Westin Club Reservation Office at 1-800-Westin-1 or by e-mail at [bayshore@westin.com](mailto:bayshore@westin.com).

ATA has negotiated a special discount room rate of \$170 USD. To receive the special rate, make your reservations by August 27, 2004. To receive the special discount rate, identify yourself as attending the "Thyroid" meeting. Room availability at the discount rate is first come, first served.

Our 510 spacious guest rooms offer sophisticated furnishings with soothing earth tones, incredible views and the Westin Heavenly Bed. Our brand new conference facilities feature the largest hotel ballroom in western Canada - the 15,521 square foot Bayshore Grand Ballroom. The 22 other meeting rooms, totaling 48,000 square feet, further enhance our warm and luxurious atmosphere. Wireless Internet Access is now available in public spaces as well.

## Snowbird Ski Resort:

Located only 29 miles from Salt Lake International Airport, Snowbird Resort has the "Greatest Snow on Earth"...averaging an unbelievable 500 inches per year of the lightest, driest, powder to be found anywhere. Skiers can enjoy over 5,000 contiguous acres of legendary downhill terrain in Little Cottonwood Canyon on one lift ticket.

To receive our group rate of \$199 standard room, please contact Snowbird's Central Reservation Office at 1-800-453-3000 or by e-mail at [cres@snowbird.com](mailto:cres@snowbird.com).

Room reservations will be received until December 15, 2004. Should the room block become full before or after 12/15/04, reservations will be based on a space and rate availability after which date room reservations will be based on availability and rates may be higher.

Snowbird will honor the group rate for AACE attendees 3 days prior and 3 days after the conference, on a space available basis. For more information visit their website, [www.snowbird.com](http://www.snowbird.com).

### Monday, September 27, 2004

- 7:45-8:30am Registration & Continental Breakfast
- 8:30-9:15am Defining the Anatomy of the Neck
- 9:15-10:00am The History of Ultrasound and Physics Part I
- 10:00-10:30am Break
- 10:30-11:00am Physics Part II
- 11:00-NOON Evaluation and Analysis of Thyroid Nodules
- NOON-1:00pm Lunch
- 1:00-1:45pm Use of Ultrasound in the Surveillance of Thyroid Cancer
- 2:00-6:00pm Thyroid Ultrasound Lab I

### Tuesday, September 28, 2004

- 7:30-8:00am Continental Breakfast
- 8:00-8:45am Ultrasound Guided FNA Biopsy
- 8:45-9:15am Color Flow and Power Doppler of Thyroid Cancer
- 9:15-9:45am Break
- 9:45-10:15am Parathyroid Ultrasound
- 10:15-10:45am Percutaneous Ethanol Injection (PEI) by Ultrasound Guidance
- 10:45-11:45am Written Test
- 11:45-12:45pm Lunch
- 1:00-3:30pm Thyroid Ultrasound Lab II
- 3:30pm Adjourn

### Friday, January 21, 2005

- 7:00-7:30am Registration & Continental Breakfast
- 7:30-8:15am Defining the Anatomy of the Neck
- 8:15-9:00am The History of Ultrasound and Physics Part I
- 9:00-10:00am Evaluation and Analysis of Thyroid Nodules
- 10:00-3:00pm Break for Skiing
- 3:00-3:30pm Après Ski
- 3:30-6:30pm Thyroid Ultrasound Lab I

### Saturday, January 22, 2005

- 7:00-7:30am Continental Breakfast
- 7:30-8:00am Physics Part II
- 8:00-9:00am Ultrasound Guided FNA Biopsy
- 9:00-10:00am Use of Ultrasound in the Surveillance of Thyroid Cancer
- 10:00-3:00pm Break for Skiing
- 3:00-3:30pm Après Ski
- 3:30-6:30pm Thyroid Ultrasound Lab II

### Sunday, January 23, 2005

- 7:00-7:30am Continental Breakfast
- 7:30-8:00am Percutaneous Ethanol Injection (PEI) by Ultrasound Guidance
- 8:00-8:30am Parathyroid Ultrasound
- 8:30-9:00am Color Flow and Power Doppler
- 9:00-10:00am Written Test
