CAP MEMBER BENEFIT AACE Annual Meeting

As one of your CAP member benefits, CAP member company employees, physicians, and allied health professionals receive a discount on scientific session registration at the AACE Annual Meeting. The discount allows employees of a CAP member company to register for the sessions at the same rate as AACE members. To register for the sessions at the discounted rate, please click the following link:

ONLY 1 WEEK LEFT
SUBMIT YOUR AACE ABSTRACT NOW!

FELLOWS-IN-TRAINING, CLINICAL PRACTICING PHYSICIANS AND RESEARCHERS...

The deadline to submit your abstract is December 16, 2015 at 11:59 pm. The American Association of Clinical Endocrinologists (AACE) invites you to submit an abstract and have the unique opportunity to have your work reviewed by experts in the field of endocrinology.

Accepted abstracts will be published as a supplement to our publication *Endocrine Practice*. If accepted you also have the chance to be awarded Travel Grants as well as participate in ePoster, Oral and Poster presentations!

AACE members or non-members sponsored by an AACE member are invited to submit abstracts describing their original research, clinical trials or case studies related to the area of endocrinology.

To submit an abstract and to view the submission guidelines, visit:

INTRODUCING NEW CAP MEMBER

AACE is pleased to announce the following new CAP member:

Quest Diagnostics – Quest Diagnostics empowers people to take action to improve health outcomes. Derived from the world's largest database of clinical lab results, Quest Diagnostics' insights reveal new avenues to identify and treat disease, inspire healthy behaviors and improve health care management.

Mark your calendars for the 2016 Winter CAP Meeting - Friday, January 29, 2016, at the Sheraton San Diego Hotel & Marina in San Diego, CA!

Launched in 2013, the CAP Alert serves as an informational brief to AACE's corporate partners. The email alerts are managed by the AACE Business Development & Marketing Department. For more information, contact Edith Dix @ edix@aace.com

CAP MISSION: To facilitate the improvement of endocrine patient care by working with industry in areas of mutual interest.
